France-Spain-Italy

14TH TO 28TH JULY 2018

Join us on this classic 2 week tour Western European Tour

We visit Western Europe's most popular cities: **Rome, Paris and Barcelona**

Our tour commences in **Rome**, capital of Italy and also the country's most populated comune. Rome bears the rare distinction of being the capital of two states, hosting the Vatican City, an independent country inside its city boundaries. The history of the city spans more than 2,500 years.

Paris is France's capital and largest city, home to 12 millions persons in its region. The city is known for its innumerable museums and architectural landmarks. Traditionally the world's most visited city, it will host 2024 Olympic games.

Barcelona is the capital and largest city of Catalonia, an autonomous community in Spain. Since hosting the 1992 summer Olympics, the city has grown to become a major tourist, economic, and cultural centre.
