## About Us

Novateur offers an experience for the traveler who wants more from his travel experience. We offer our clients the opportunity to discover hidden gems in select French destinations. Our multilingual staff offer the opportunity to discover these territories even for the non-French speaking.

Many French-speaking territories are hidden gems for non-French speakers, and particularly English-speakers because of the language barrier.

We encourage you to discover these gems with us. We promise that you will not be disappointed!
